

SUN VALLEY TREKKING COYOTE YURTS SUMMER EQUIPMENT CHECKLIST

The Coyote Yurts are a fully equipped backcountry hut. At the hut you will find: 2 yurts, 19 separate bunks with mattresses, a three burner propane cook stove (propane and lighter supplied), a variety of cooking equipment, all dishware and table service (for up to 14), all dish clean-up necessities, solar lanterns for light, an outdoor barb-q (propane supplied), 2 woodstoves, a wood fired sauna, 2 coolers (bring your own ice), a limited supply of water (we supply one 5 gallon jug/ day), an outdoor deck with seats and hammock, an outdoor fire pit, a pit outhouse (toilet paper supplied), a well stocked library with books, magazines and games.

The following list contains the recommended items to bring with you:

CLOTHING/EQUIPMENT:

- Hiking shorts
- Long pant
- Long sleeved fleece or flannel/cotton shirt
- Fleece jacket
- Wind and water resistant shell parka
- Puffy Jacket (for cold nights)
- Two pair of socks
- Light weight hiking boot
- Sandals for around the hut
- Light weight gloves (optional)
- Brimmed hat and ski hat
- Towel
- Sleeping Bag (40 degree)
- Headlamp with fresh batteries

- 2 x One-liter water bottles (filled)
- Trail map (area map at the hut)
- Trekking Poles (optional)
- MTB Bike (if biking)
- Backpack big enough to carry all this, plus your food/beverages

PERSONALS:

- All your food and beverage needs
- Sunscreen
- Toiletries and personal medicines
- Sunglasses
- Insect repellent
- Camera
- 1st Aid Kit

YOU MAY BRING YOUR DOG, but respect the deer and elk that frequent the area. Be aware that sheep graze in the area in mid-late summer. PLEASE CLEAN UP AFTER YOUR DOG and dispose of any poop. Dogs are not allowed on any bunks or mattresses!

You will be carrying all your equipment and food 1/3 of a mile uphill to access the Yurts-so please pack accordingly.

CHECK Sun Valley Trekking's web site, www.svtrek.com for information relating to all its huts.
