

## HUT SKI EQUIPMENT CHECKLIST

To prepare for your hut ski adventure, please carefully review the equipment list below. We highly recommend bringing everything on this list and little if anything that is not listed to keep your pack light. Please visit our <u>website</u> to familiarize yourself what amenities are at each hut. It is possible to rent sleeping bags, headlamps, shovels, avalanche transceivers, backcountry skis, boots, poles and backpacks directly from our local outdoor stores: <u>Backwoods</u> or <u>The Elephant's Perch</u>.
